

CONCERNED NSUKKA TOWN PEOPLE

1st July, 2020

HRH Igwe George Asadu
the Nsukka Autonomous Community

Sir,

COMPLETE ERADICATION OF OHU AND AMU SEGREGATION IN NSUKKA TOWN

We the undersigned concerned people of Nsukka Town, on behalf of all the elites of Nsukka Town who have spoken with one voice, write to seek permission of all relevant Nsukka Town Traditional Institutions to facilitate the immediate and complete eradication of Ohu and Amu Segregation in Nsukka Town.

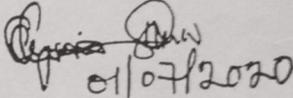

The need to permanently eradicate the ugly trend of Ohu and Amu segregation came following discussions of Nsukka Town people on IOC Media and Nsukka Town Union WhatsApp platforms.

With your support and guidance, we are willingly to make necessary input that will end the age long practice that keep unnecessary division within us. We shall call for a meeting of all relevant Nsukka Town traditional institutions on this matter very soon, to explain how we intend to do it.

Thanks for your anticipated cooperation.
